Just A Little Bit Different

1987-88 at Northeast Senior High has been different. We arrived to find a mess but breathed easier because the asbestos was finally gone. We endured the repairs and inconvenience as workmen finished putting our school back together, eventually better than ever before. We bemoaned, tolerated, and finally started to actually like and accept the ninth graders as now a permanent part of our Ram family. We even forgave them for crowding our hallways and making trailer classrooms necessary. We began to realize that with the largest faculty, staff, and student body in our history, we had the potential not only to be bigger, but also better. We examined our diverse backgrounds, interests, hopes, fears, and joys, and we decided we liked what we were.

Yes, we are Northeast, we are just a little bit different, and we're proud of it!

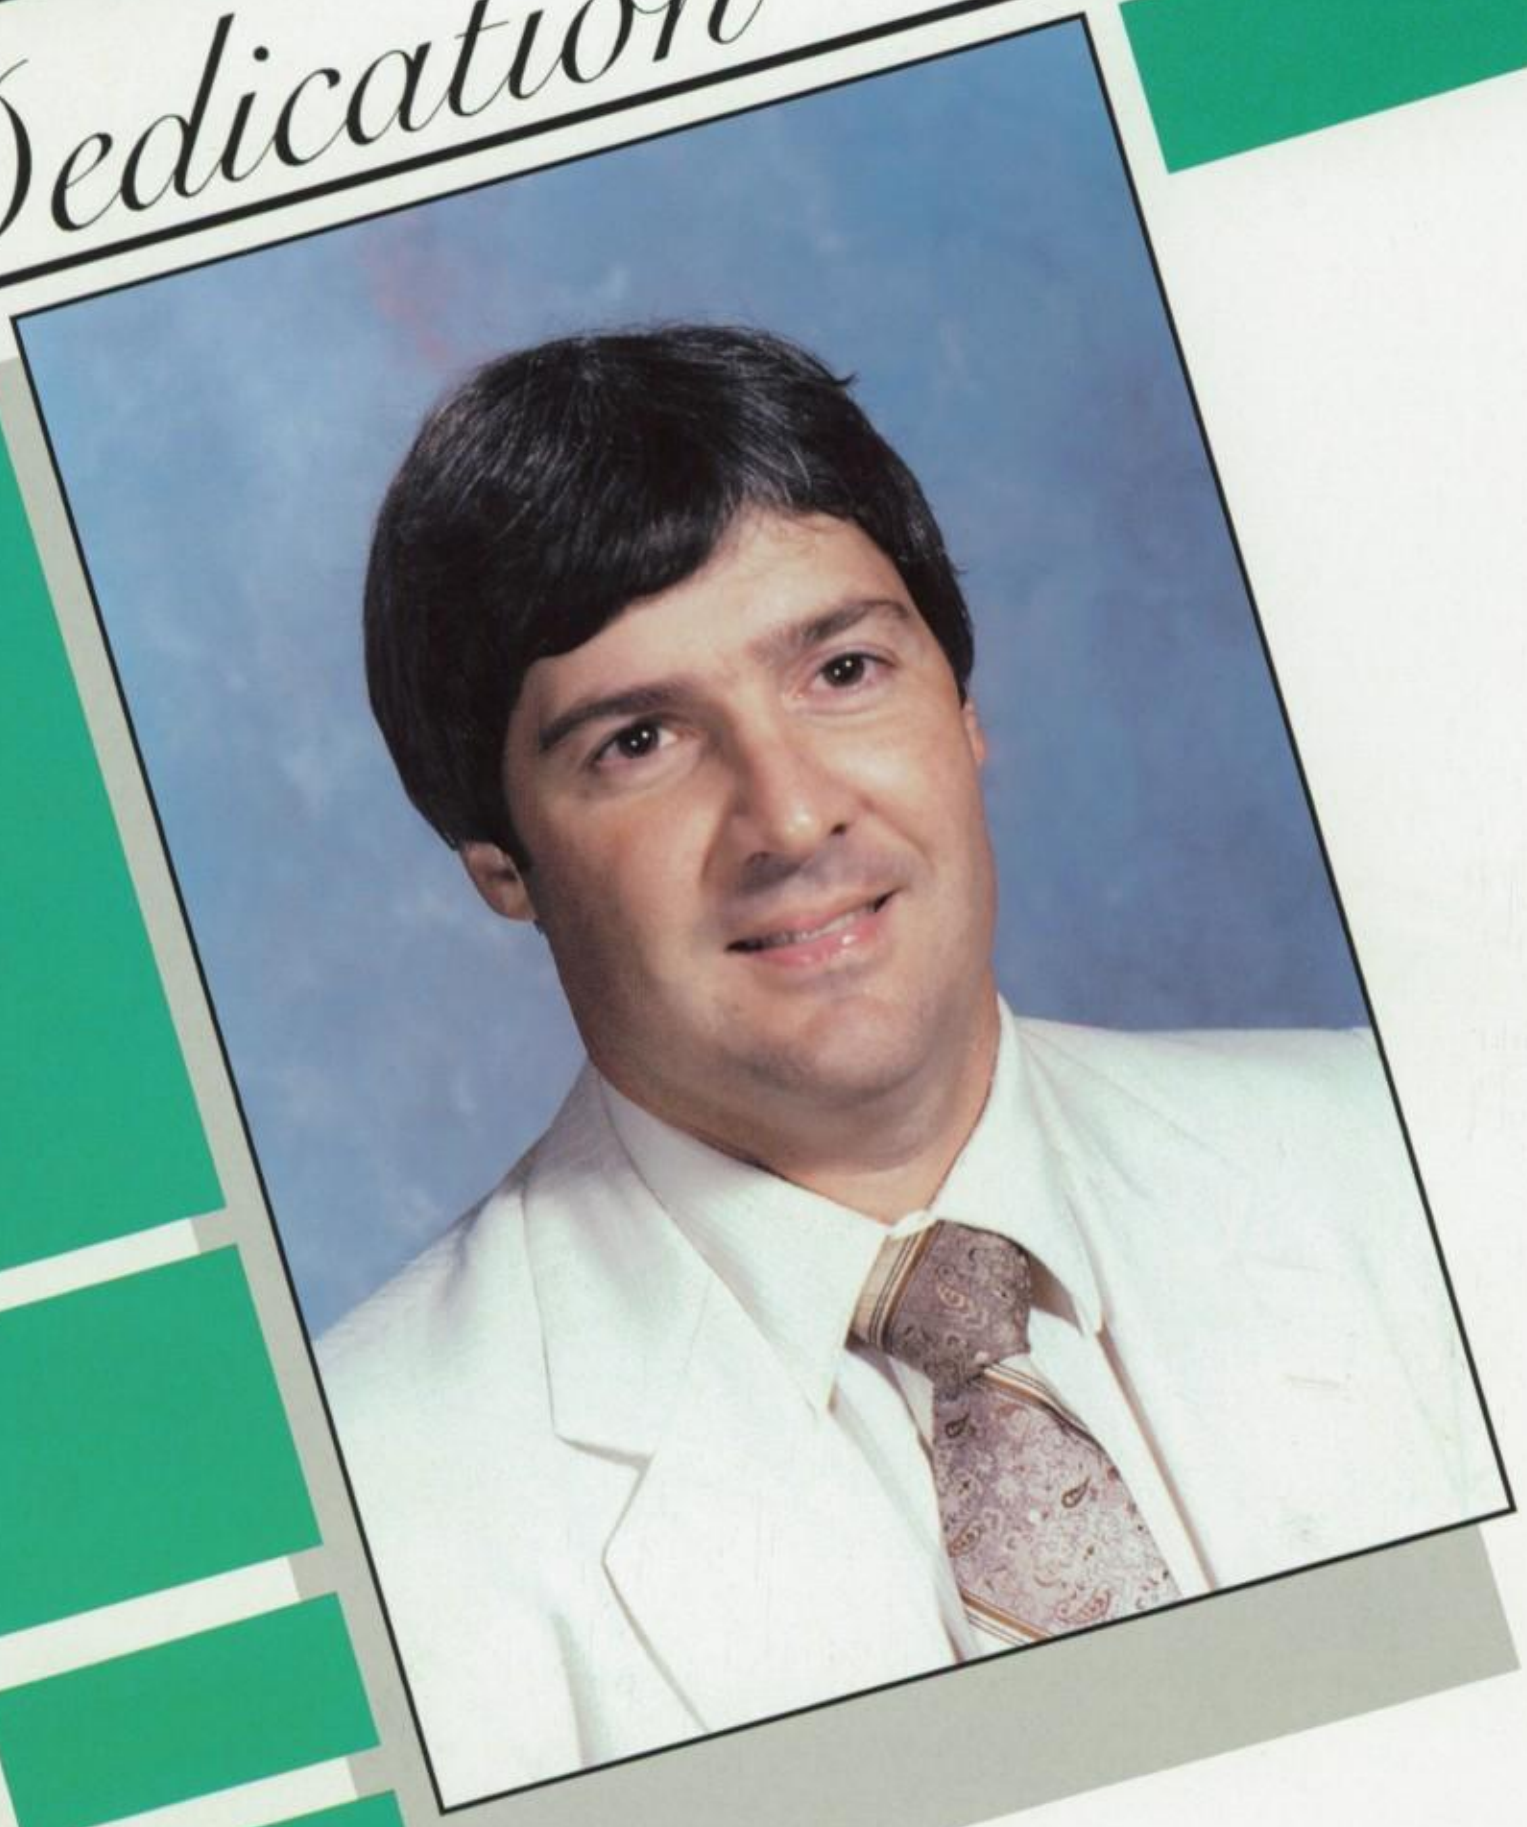
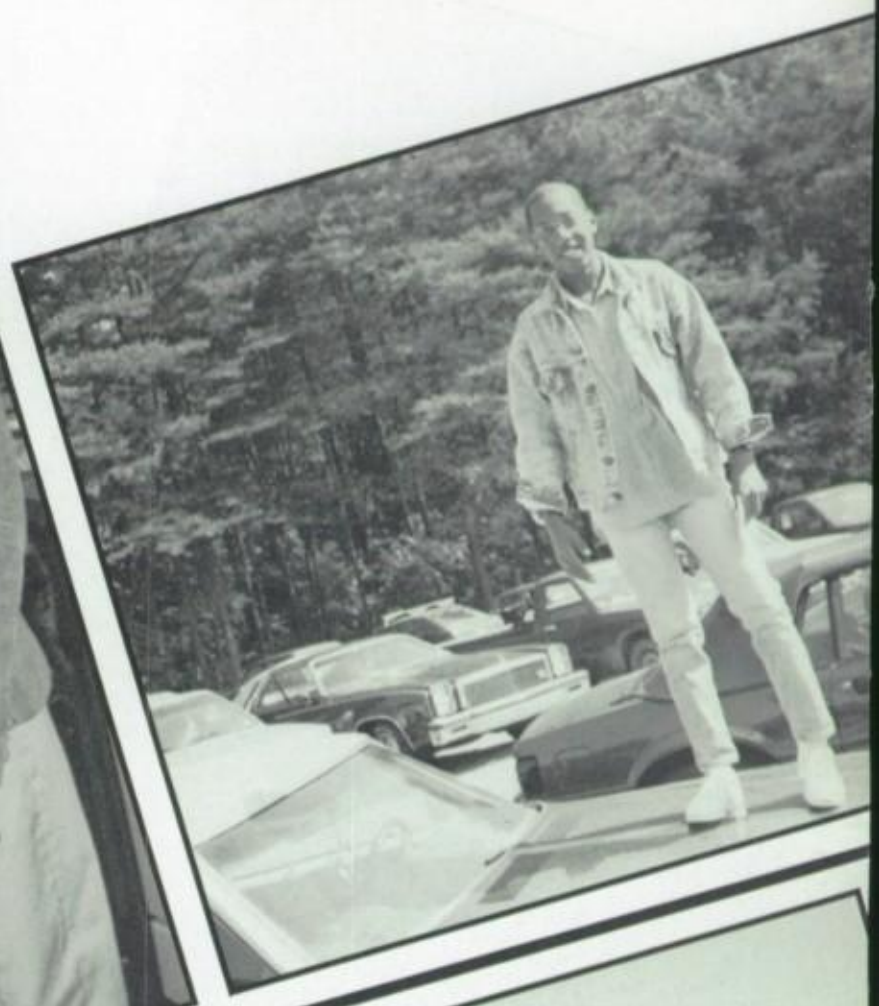
Dedication





Classes

We are intelligent and proud of it.
We wonder at the mysteries of life.
We hear what we want to hear.
We see what we want to see.
We want the best we can get.
We are teenagers.

We pretend to be different from our real selves.
We feel the pain and happiness.
We touch the souls of our friends.
We worry about tomorrow.
We cry as others cry.
We are students.

We understand what is put before us.
We say what is on our minds.
We dream the impossible.
We try the challenges placed before us.
We hope for the best.
We are Northeast Rams!!!!!

BOYS' CROSS COUNTRY

The Northeast Rams, under the leadership of Coach Bookout, showed a surprising season. The Rams, off a Conference Championship last year, tied for first this season. They showed spirit in the Conference meet by placing second. Northeast competed in other cross country meets such as at Hagenstone Park, where they won the meet. They also finished eighth out of twenty teams at Blowing Rock and had a fifth place finish out of thirteen teams in a Charlotte-Wendy's meet. The team finished fifth in the regionals, and Harry Tucker qualified for the state, finishing fifth out of 147 teams.

GIRLS' CROSS COUNTRY

A little rain doesn't slow Natalie Duncan down.

Practicing makes perfect.

The 1987-1988 Girls' Cross Country Team had a very successful season under the leadership of Mr. Blue. Jill Peeples ran away with the leadership position of Conference Champion, All-Conference, and fifth place in the regionals and seventh in the state. Jill was the first runner from Northeast to make All-State. Congratulations, Jill! Also, individual honors go to Laura Brewer, who was Conference runner-up, All-Conference, and fourth in the regionals. Nora Stilling took eighth place in the conference and held the position as team captain. Lastly, Delcine Carter made thirteenth in the conference and just missed being All-Conference.

The team qualified for the state finals for the second year in a row. This team was the first one at Northeast to accomplish this. Also, they finished in the top in N.C. for the second straight year. Special thanks go to Coach Blue for his hard work and leadership.

First Row: N. Duncan, S. Thompson, M. Swaney, L. Brewer. **Second Row:** T. Smith, J. Peeples, D. Carter, N. Stilling, M. Pate, I. Filatous, Mr. Blue (Coach).

VARSITY CHEERLEADERS

The Varsity Cheerleaders are a vital part of Northeast sports.

This year they attended a county-wide cheerleading camp at Western Guilford High School held by the N.C. State Champion Cheerleaders. They attended the N.C. State "Football — Cheerleaders Day" in November. They cheered at 1987 Little Four Basketball Tournament at the Greensboro Coliseum.

This year was the first year a Cheerleaders' Booster Club was established, thanks to the motivation of these girls.

As a result of all these accomplishments, the 1987-88 Varsity Cheerleaders maintained a very successful year.

STUDENT COUNCIL

B. Ward, Pres.; S. Wagoner, V. Pres.; B. Thompson, Corresponding Sec.; F. Smith, Recording Sec.; P. Coley, Treas.; Mrs. Heavner, Mrs. Culclasure, and Mr. Primm, Advisors.

A leader can be defined as a person who guides others. Student Council members definitely fit the description of leaders this year. They were instrumental in welcoming freshmen and sophomores to Northeast, organizing Homecoming and the Homecoming Dance, contributing to the Urban Ministry's plea for canned foods in order to fill Greensboro's Food Bank, sponsoring two needy families over Christmas, aiding Close-Up participants in their trip to Washington, D.C., and many other activities. Student Council's success should be attributed to its members and its advisors. Thus, through dedication, Student Council helped make the 1988 school year run smoothly.

Congratulations to a Wonderful Daughter!

They pass so quickly,
the days of youth,
And the children change
so fast,
And soon they harden
in the mold,
And the plastic years are past.

Then shape their lives
while they are young,
This be our prayer, our aim,
That every child we meet
shall bear,
The imprint of His name.

— unknown

Heather,
It is hard to put into words what a joy you've been to us. We are proud of all your accomplishments. We wish only the best for you.

Congratulations!

We are so proud of you.
Love,
Mom, Dad, Jimmy,
and Lisa.

Vicki,

We are proud of you, our oldest daughter. You have been a good example for your sisters and friends. We know you have worked hard over the years to attain some special goals for yourself and have enjoyed being involved in many activities at school and church. You have always wanted to do your best and have often reached goals we we thought were impossible.

We are very happy for your success and wish you the very best for the future. May you always succeed.

Love,

You are the light,
My life shines through;
My life could never be as great,
As it is with you.
You are the sun,
When my day is filled with rain;
Without you, my life wouldn't be the same.

You are the gold,
In my blue skied day;
All the things you do,
I could never repay.
You are the rainbow,
After a great night;
You brighten up my day,
And light up my night.
You are the light, the sun,
the gold, and the rainbow.
Nothing could better explain
Why **I love you so.**

Needless to say, you were special from the day you were born on a very cold, December morn. You've brought us much happiness and joy.

We love you!

To my Wonderful Granddaughters!
Congratulations, Amy & Beth!

With all my love,
Grand Ward

To my little sister, Christy,

We have collected a lot of memories in the past 18 years that comes with being sisters. I remember when . . . you took your initial baby steps, your first word was "DOG", our endless hours of playing with weeble people and barbie dolls, the torture of sharing a room with you because of your intense fear of sleeping alone in the dark, agonizing with you over your homework. OH!, what terrible fights we had!! On the otherhand, there were special secrets to share, shopping together, swapping clothes, eating Chef Boyardee pizza on Saturday nights while watching "Dance Fever", and even cruising the road or planning on rolling a house.

I realize during those years it was difficult being referred to as **Kim's** little sister and being expected to follow in my footsteps, but you managed to make a name for yourself. I have watched you mature into your own person with your own identity and accomplishments; therefore, I am proud to be known as . . . **Christy's** big sister.

Love and Congratulations!
Kimberly

SHARON —

Congratulations as you complete an important phase of your life.

Watching you grow and mature has given us many treasured memories. You're a very special daughter!

We commit your future to God's goodness — only He loves and cares for you more than we do.

With All Our Love,
Mom & Dad

"Trust in the Lord with all thine heart; and lean not unto thine own understanding. In all thy ways acknowledge him, and he shall direct thy paths."

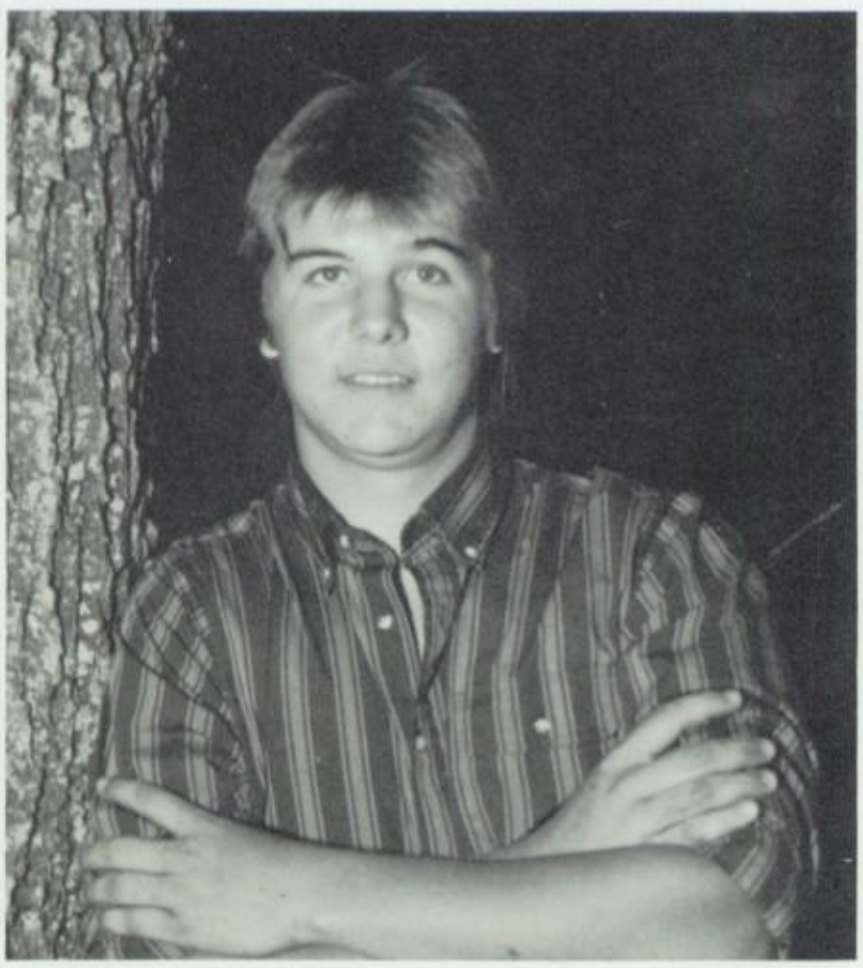
Three Little Words
I Love You
They are said in good times or bad times
During the good times it makes things better
During the bad times it makes things better
They are said many, many times a day
Somehow no matter when it is said it gives a warm feeling all over
So Kelly, on this special day, I want you to remember three little words
I love you,
Alan



J is for all the **jokes** you have told me.
E is hoping you have **enjoyed** being a senior.
F is for all the **fried** hamburgers I fixed you.
F is for all the **fun** I have had with you since you were born.

R is for the many **riches** I hope for you in the future.
U is for all the times I checked **under** your bed for toys.
M is for all the happy **memories** you have given me.
L is for my **love** that you will always have.
E is for all the **endless** times I have said "no", and you have persuaded me to say "yes".
Y is for the many **years** I have loved having you as my son.

Jeff, I am very proud of you and hope that you will have everything you desire out of life. Don't "Work" too hard!
Love,
Mother

Congratulations, Kelly!

It is hard to realize that 18 years have gone by and that our little girl has grown into a lovely young woman. Graduation is here and it is a time for you to be happy and always remember. We wish you happiness in the future. You are very special as a daughter, and have shown us strength that we realize you will be able to accomplish whatever you decide to do. We are very proud of you. Thank you for all the joy you have brought us.!

We love you very much,
Mom, Dad, & Patrick

To My Dearest Jeffrey,

I can't begin to put into words how much you mean to me. You were like a bright light that entered through my window late one night, taking all my fears away.

It is so refreshing every time I see your smile just knowing that you will be with me, and you will be there for me when I need you the most. I know that after graduation we will be joined as one forever, but this was just to let you know that I love you so very much! I LOVE YOU!

Kelly

Yo Diana!

Even though you won't need it;

Shayne,

Before you, I had nothing but now that you are here I have everything. You are my life and my everything. Mere words aren't enough to express how I feel for you. This poem seems to suit us best . . .

Is Love Forever?

In your eyes I can see, the way you always will be. The love which shines from your eyes, the kind of love which never dies.
I only wish to show you the same, all I have to do is just call your name.

So I will have you to comfort me, and there in your arms I will always be.
No one could ever take your place, for I have searched the human race.

Memories we have cannot be forgotten, because we have the love that cannot be taken.
Through the time we have spent together, Our love will last forever!!

I love you with all my heart,
Pauline

Congratulations, Stacie,

You have truly been a joy to us. You're sensitive to others, understanding and undemanding. You have worked very hard for your accomplishements and you have many, we are very proud of you. With your determination and great personality you will go far in life. We love you very much!!

Love,
Mom and Dad

My Dearest,

With you I have found me. With us I have found **true** love. You are truly a gift from God and a blessing upon my life. It only gets better as a year turns to a day, (hint). I love you forever, and that's real. Our life ahead is going to be wonderful. We are as one.

Because of Jesus,
Troy

Troy,

I want you to know that you bring me a lot of joy by really caring and by being willing to share yourself with me. Thank you for taking time to understand me and then loving me **anyway.** I am excited about the future and whatever is in store for us. Please always remember and never forget — I love you.

Jenny

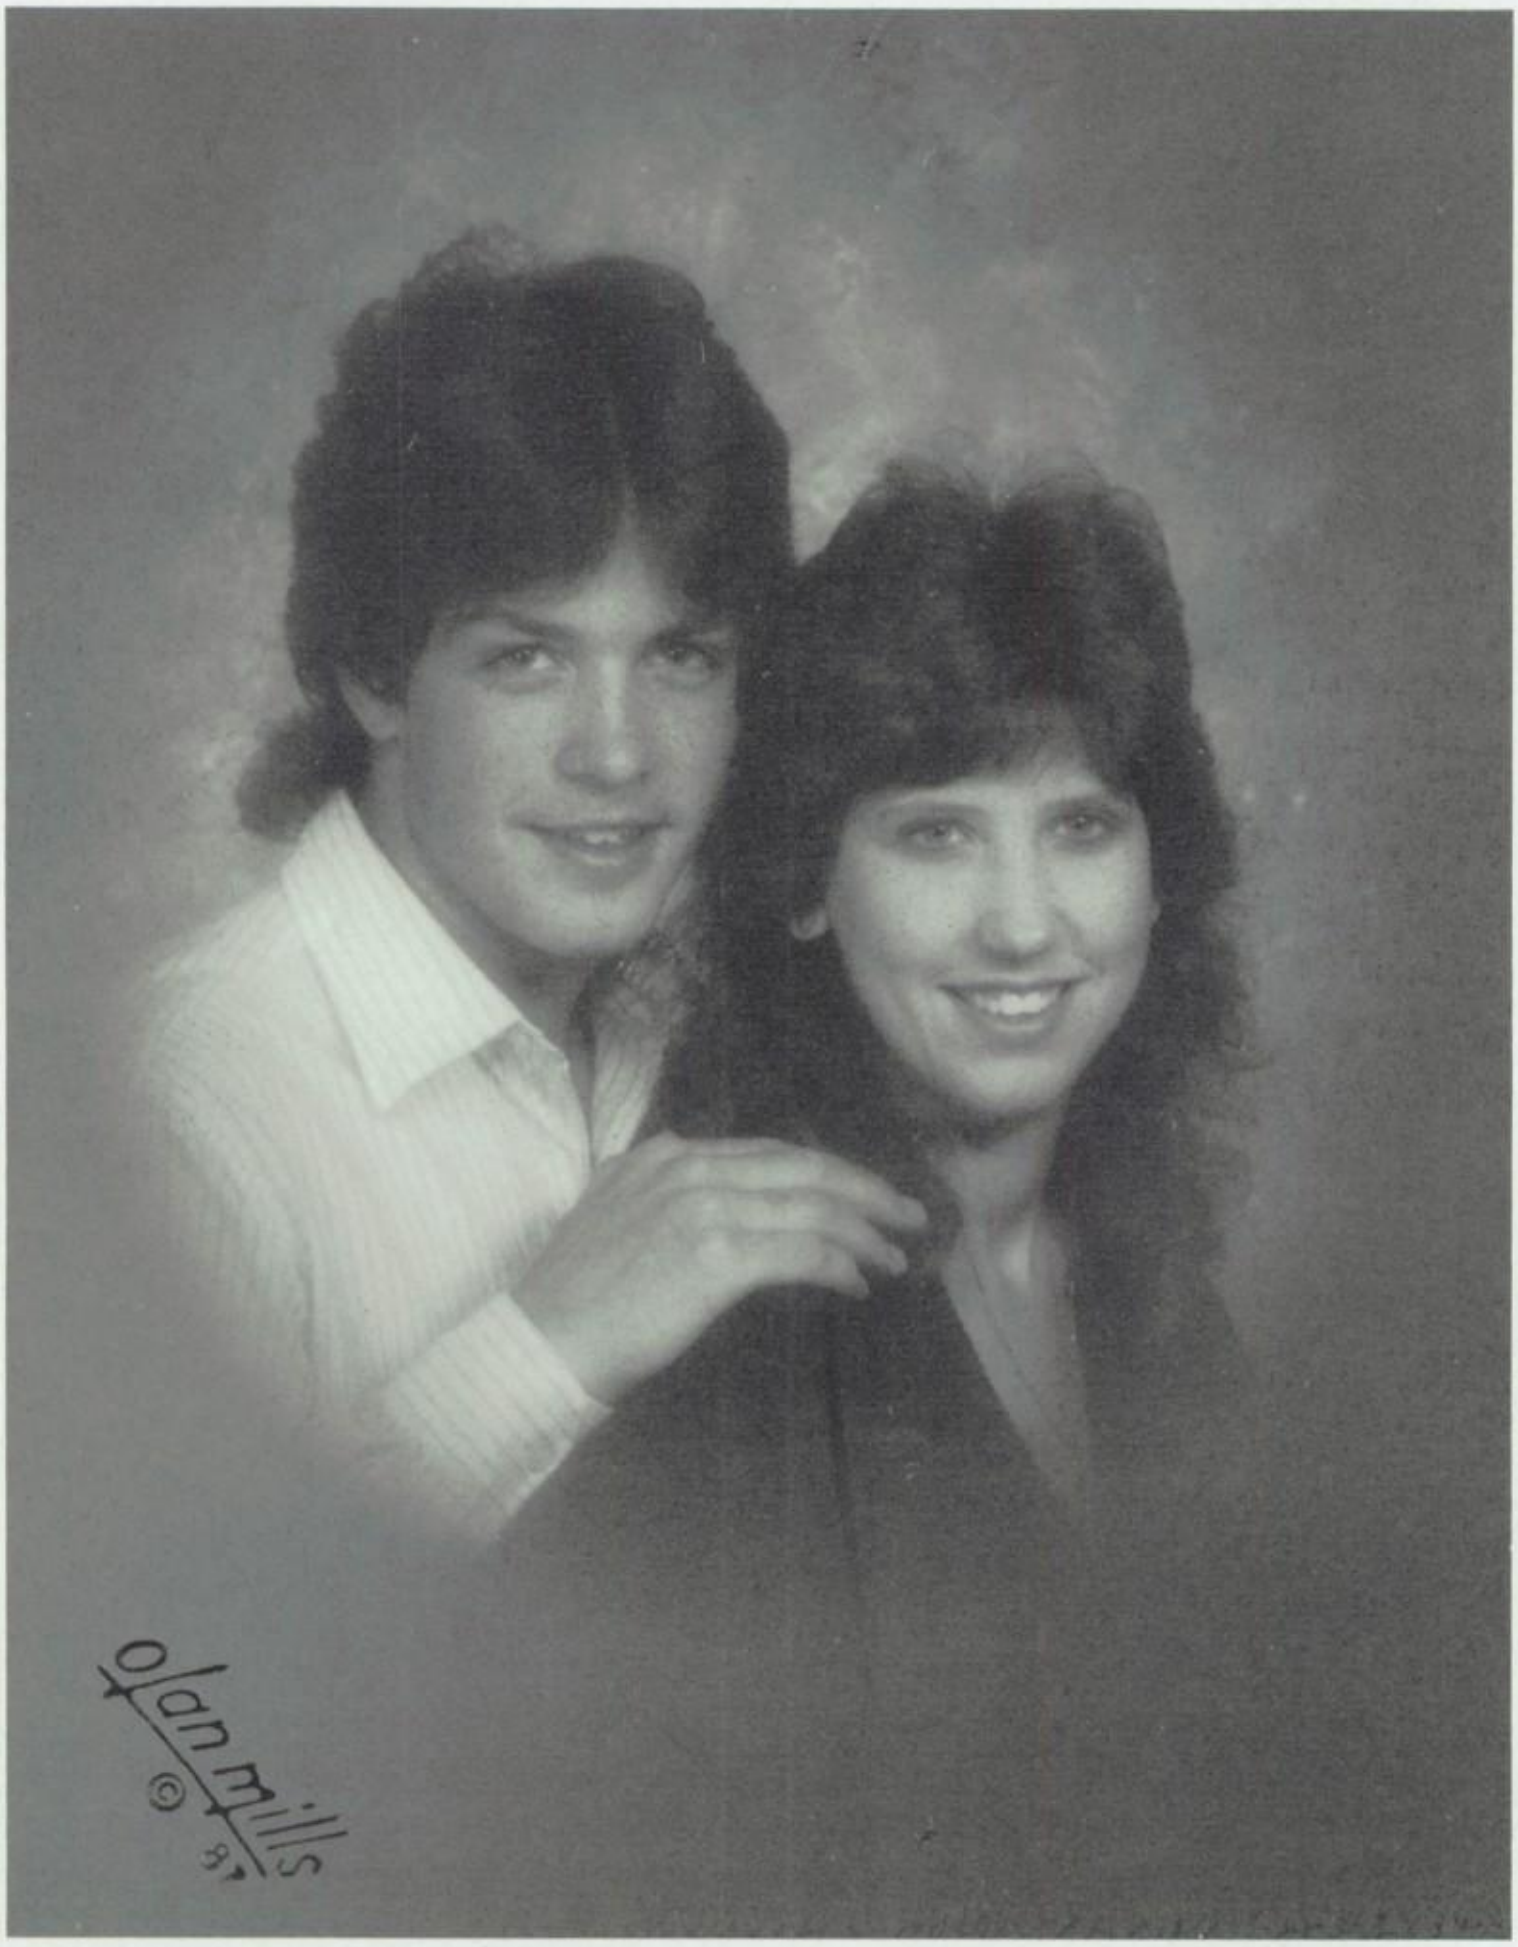
Lord, Give Me Wings



My Darling Terry,

I sit here and remember the time we spent together. A smile has come across my face. You were such a special person and you touched so many people's lives in that special way.

As I think of the memories I have of you, I cannot understand why God decided to take you so soon but I know He had His reasons. My Darling, there will always be a special place in my heart for you that I will always hold dear.

This is not a goodbye but just a farewell until we meet again. So take your wings my Love and be proud of what you accomplished here on earth.

I Love You,
Kelly

Congratulations, Mary!
May happiness and success always be yours.

Love,
Mom, Dad, David,
and the late
"Buffy"

Terry,

HE MAKETH NO MISTAKE

My Father's way may twist and turn,
My heart may throb and ache,
But in my soul I'm glad I know,
He maketh no mistake.
My cherished plans may go astray,
My hopes may fade away,
But still I'll trust my Lord to lead
For He doth know the way.
Tho' night be dark and it may seem
That day will never break;
I'll pin my faith, my all in Him,
He maketh no mistake.
There's so much now I cannot see,
My eyesight's far too dim;
But come what may, I'll simply trust
And leave it all to Him.
For by and by the mist will lift
And plain it all He'll make.
Through all the way, tho' dark to me,
He made not one mistake.

Copied.

Love,
Kelly

Gary,

When I needed someone you were there for me. You helped when I thought no one else could. Even though we may be graduating I never want you or your family to become strangers to me. I have grown to love you all so much.

Congratulations, my dearest

I love ya.
Kelly

Jean,

Once in a while, a friend is found who proves right from the start to be the special kind of friend who really warms the heart. Once in awhile, a friendship's made that's really lasting, too, and that's the kind of friendship I have known since I met you!

Thanks for being there when I needed you. Good luck in the future. May God bless you and look after you.

Friendship starts from little things — a smile, a word, a deed, the quiet understanding of another person's need. It grows with every thoughtful act. Each laugh or secret shared, and all the little kindness that whisper someone cared!

Friends are forever and forever will be friends.

Congratulations! We are very proud of you and love you very much. Hope your future turns out like you would like it to.

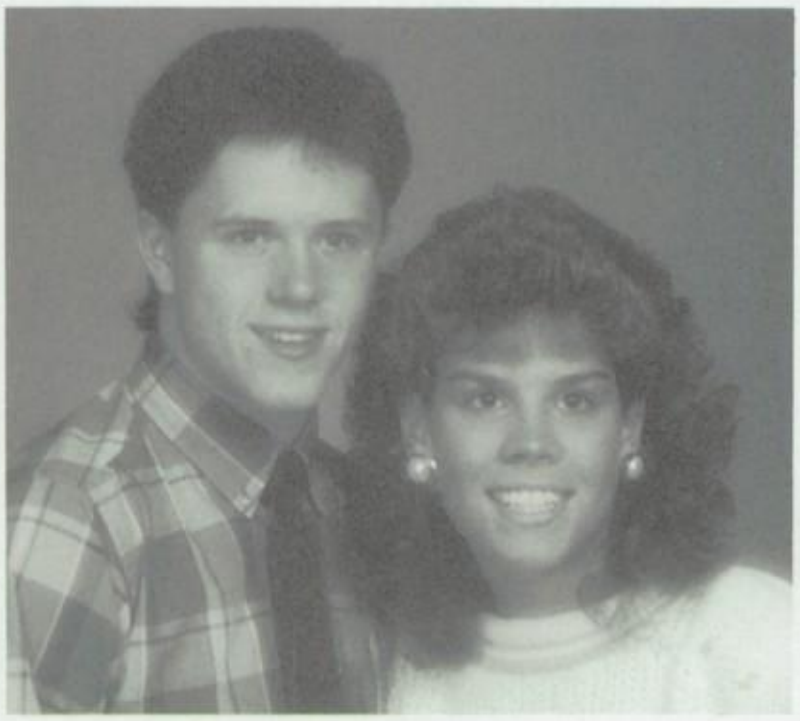
There are a lot of wonderful guys in this world, but somehow I know you're the one for me. It's not hard to see why — you're so many things I need and admire . . . You're sensitive, yet strong, serious, yet fun, romantic, yet practical too.



You let me be my own person — and that makes me glad, because it just so happens that the person I am loves you!

I love you!
Yours and only yours,

Delcine,
Now the time has just about come for us to take that final step. You are a very true sister and friend; we have made it through thick and thin. You have kept me straight, and when I've needed to tell someone my problems you were always ther for me. I know we will continue to be close no matter what happens. And I wish the best of luck to you in the world. And I hope that you reach every goal that you are striving for.
Thanks for everything!

You have known me in good times and bad.
You have been with me when we had fun and when we were miserable.
And through it all, we have built a friendship which has become an important part of my life.
Thank you for the laughs, the words of encouragement, and above all, thanks for the love.
I'll love you always,

You Are A Perfect Friend

You have known me in good times and bad
You have seen me when I was happy and when I was sad.
You have listened to me when what I said was intelligent and when I talked nonsense.
You have been with me when we had fun
And when we were miserable.
You have watched me laugh and cry
You have understood me when I knew what I was doing
And when I made mistakes.
Thank you for believing in me, for supporting me, and for always being ready to share thoughts together
You are a perfect friend

Thank you both for being who you are to me.

Delcine,
Just remember, the Lord said the road will not be easy, so as you continue your education, do not expect to succeed by taking it easy. Continue to strive to do your best and keep God first in your life.

Friends Forever
"88"

Honestly
by Stryper

Honestly, I believe in you,
Do you trust me in me?
Patiently, I will stand by you;
I will stand beside you faithfully.
Through the years,
I will be a friend,
FOR ALWAYS AND FOREVER.
Call on me, and I'll be there for you,
I'm a friend who always will be true.
And I love you can't you see,
That I love you HONESTLY,
And will never betray your trust in me.

It is funny how you can find a song to fit your situation perfectly. We all had to believe and trust in each other to survive. We couldn't have made it without our Savior, JESUS CHRIST. To HIM we owe everything.

BEST FRIENDS

Over the past few years, we've been through many of life's ups and downs, and we've shared great memories of happiness and sadness. But through all the disagreements and musunderstandings our friendship has always seemed to grow stronger. We always knew we could depend on each other in our times of need. All we had to do is pick up the phone and call. That's what true friendship is all about.

But now it's time for us to part, and we shall cherish our friendship forever in our hearts. As we go now, our separate ways, let's just remember the good and leave the bad behind. Congratulations fellow graduates; we love you and wish you the best of luck in the future.

The Greatest of Gifts

There are many stars in the sky of friendship, but there are none that shine as brightly for me . . . as you. You are the dearest of all, shining high above the rest, lighting up my life and giving me a wonderful knowledge. I've got a friend.

Knowing that you are my friend, and always will be, keeps my faith in happiness alive. Whether you know it or not, you have gotten me over many rough times. For me, I know that things may go wrong and the world may treat me unfairly every now and then, but

I'll be okay.

I've got a friend who understands . . .

Your friendship is one of the things
I treasure most in life, for it gives to me a value beyond wealth, and a wealth beyond words.

I've wanted to express my heart's thanks,
. and if the words could be found,
I would tell you this . . .
that come what may, I will always consider your friendship as the greatest of gifts.

Tonya,

Even as a child of 18 months you were special, always smiling, singing, and showing off your works of art. Now you've grown into a young woman of 18 years — full of poise, talents, knowledge, thoughtfulness, and love. Yet you're still smiling, singing, and creating works of art. Your life has been blessed with many gifts from God. Hope the years ahead are filled with faith, hope, and love.

When I say to someone, "She is my sister . . ." it is impossible to keep the warmth from my voice or the love from my eyes. We share a bond even more unbreakable than that of family . . . To have lived through the pains of growing up together and still be able to say these words is quite amazing. Too many sisters cannot say them. But we are closer now than ever, and I want you to know that I am very, very glad you are my sister.

— Judith L. Sloan

The Gifts of Friendship

It's the little gifts of friendship
That always means so much —
The little notes, the frequent calls
That keep good friends in touch.
It's the quiet understanding,
The laughter meant for two,
The little deeds of thoughtfulness
Good friends so often do.
It's the little gifts of friendship,
The kind and caring ways,
The sharing that adds special cheer
to ordinary days,
And what a world of happiness
These little gifts can bring,
For they start a lasting treasury

"It seems like yesterday"

Love,

Outside the Ten Commandments, one of the greatest moral sins man can commit is to have the ability to do something good and not do it. Not only does he cheat himself, he cheats those around him. This holds especially true with parents' relationships with their children. Not only are we charged with a legal obligation to our children to see to it that they become the very best they can become, God willing.

Often times parents in their endeavor lose sight of the fact that their children are actually the ones on the front line of life, struggling to successfully fill the parents' expectations, while at the same time following rules and guidelines established by others.

As parents, your Mother and I have always tried to remember that growing up is difficult at best, especially in these days and times.

Even though at times, it may have appeared to you that we lost sight of the fact that by human nature you were in constant transition, we never lost sight that you were a child and that your concerns and problems were of paramount interest to you, just as ours were to us. God willing, we will never lose sight of this.

Those of us who know you are able to sincerely say that your accomplishments are just that — yours. Without your efforts, concerns, and hard work they would still be only expectations of your parents. For this your Mother and I are not only proud of you, but we thank you. We realize how difficult it must have been at times.

With the accomplishment of your graduation, your Mother and I wish to renew our pledge to you — You will always be our child and that even though you may do things which we may not understand or condone, we will always be here to help, not criticize.

Always remember that life at best, if lived properly, is difficult and will continue to be. We sincerely hope that you will continue to learn and apply this knowledge to the fullest. Build on your accomplishments and continue to be the very best you can be, never losing sight of who you are, where you're from, or where you're going.

Love,
Your Mother and Daddy,
Stratford, Granny, Mark,
Kay, Alan, and of course
Pa Pa.
